SPORTING POINTS

State Bowling Tourney.

Chicago, April 28.—Payne and Hall of Peoria still lead in the two men of the Illinois state bowling championship now in progress at Aurora hall. Scores rolled early last night were not high, although E. Schmitt and B. Hanson reached third place with 1,182. There is but little prospect of any one beating Bob Wientold in the individual event, his 711 looking like the goods. Veteran Gus Burkhardt notched 693 and is now seventh.

Travis Breaks Course Record.

Lakewood, N. J., April 28.—Walter J. Travis yesterday afternoon made a cut in the amateur record of the Lakewood Country club course by registering an official 75. The old mark of 80 was jointly held by Frank Reinhardt of Princeton, the former intercollegiate champion, and J. G. Batterson of Lakewood. Since the 80 was made four holes have been lengthened a total of 100 yards. The course yesterday was soft from heavy rain. Walter Egan of Chicago was only two strokes behind Travis on 36 holes.

Hoppe Leads Schaefer.

New York, April 28.—Jake Schaefer and Willie Hoppe began a billiard match of 1,200 points, 18 inch ball-line, in blocks of 400, at the Knickerbocker billiard academy, in Brooklyn, last night. Hoppe showed fine form and won from the Wizard by the big margin of 400 to 203.

Jockey Dies at Memphis.

Memphis, Tenn., April 28.—Thomas O'Brien, formerly a successful jockey, died at St. Joseph's hospital from apoplexy.

Nelson Gets a Match.

San Francisco, Cal., April 28.—Battling Nelson yesterday agreed to a bout at Marysville on May 9 with the winner of the Long-Cordell battle.

Cornell Crew Wrecked on Lake, Ithaca, N. Y., April 28.—The varsity four oared crew was wrecked last night while returning at high speed from its row on Cayuga lake. The shell struck a submerged pile and was torn to pieces. The oarsmen sank in the water with their oars in their hands and had to cling to the pile until picked up by Courtney's launch, none the worse for the accident. The shell was one of the best in the Cornell navy, but can be replaced before the Poughkeepsie regatta.

STILL SEARCHING FOR BODY

Aid of Local Police Asked in Quest for Remains of Frank Ayres.
The Rock Island police department is in receipt of a communication from W. B. McMahon, of Dixon, Ill., requesting that he be notified in case an unknown floater is found in Rock river in this locality. The body of Frank Ayres, who was drowned at Dixon April 10, has not been recovered, although the river for a considerable distance below the city has been dragged. It is supposed the body has been carried south by the current.

Urbana, Ill., April 28.—The undefeated Illinois nine will leave Friday on a trip, meeting Michigan at Ann Arbor Saturday, Armour institute at Chicago Monday, Northwestern at Evanston Tuesday, Wisconsin at Madison Wednesday.

Should Michigan fall before Huff's coits Saturday, the latter will have defeated every contender for the western championship.

The Islanders ought to make the best of their opportunities for practice during the next few games. It is not so important to win now as to get settled down to team work. That is what counts when the league season opens.

New York, April 28.—The National league announced yesterday that contracts of Christie Mathewson and Roger Bresnahan with the New York club and the release of Harry Arndt by Cincinnati to Louisville have been approved.

South Bend, Ind., April 28.—It has been semi-officially learned that the directors of the Central league soon will change the salary limit. The statement that such action would be taken was made by an official in the Central league. The clubs which will favor an increase over \$1,200 per month are Grand Rapids, Dayton, Wheeling, Evansville, and possibly Springfield. South Bend and Fort Wayne are known to be against the move, and it is thought that Louis Smith of Terre Haute is averse to increasing the salaries.

MATERIAL FOR TRACK TEAM

Physical Director Earl Calls Meeting at Y. M. C. A. Tomorrow Night.

Physical Director E. C. Earl has called a meeting for Saturday evening at 7:45 o'clock for members of the Y. M. C. A. and others interested and willing to cooperate in the organization of a track and field team. The Y. M. C. A. is expecting to put a winning team into the field in the association league meets, and it is hoped to interest a large number of outsiders in the formation of the team. A large number of invitations has been sent out for the meeting of Saturday evening.

Plans for the boys' summer camp are being worked out, and it has practically been decided to locate the camp on Rock river. The exact site has not been chosen yet. The camp will be located as near Rock Island as possible. The boys of the Rock Island and Moline association will join their camps this summer.
